### EDUCATION

**Computer Science and Full Stack Development**  
Atlas School

**March 2025**

### EXPERIENCE

**Freelance Web Developer** *Tulsa, OK*

**2024 - Present**

- Design and optimize user-friendly websites for small businesses, enhancing their online presence and improving customer engagement.
- Implement SEO strategies to boost visibility, resulting in higher search engine rankings and increased traffic.
- Collaborate with clients to understand their needs, ensuring the websites effectively showcase their services and products.

**Business Manager**, *K & K Brookside Tulsa, OK*

**2013-2023**

- Led and managed the entire business after advancing from an entry-level role, improving operational efficiency and ensuring team alignment with business goals.
- Supervised three teams of 25 employees, directing daily tasks and optimizing workflows to drive growth and enhance performance.
- Implemented a point-of-sale and inventory system to monitor product usage, identify shrinkage and loss, leading to more accurate inventory tracking and cost management.
- Developed marketing strategies and launched a website with targeted social media campaigns, increasing customer engagement, online visibility, and driving growth.

### PROJECTS

**AICurbAppeal**

**Oct. 2024**
